RE: PEIR Comment Period Extension Request

Dear Ms. Macaulay;

Yolo County Farm Bureau appreciates the opportunity to comment on the recently released Delta Plan, Programmatic Environmental Impact Report (PEIR). Yolo County Farm Bureau is carefully watching the Delta Plan process, as we represent farmers and ranchers in the primary and secondary zones of the Delta.

We strongly request the comment period for the review of the document be extended to no less than 120 days. We need this time to review the document, meet with growers and ranchers to discuss the report and then provide carefully written comments. The coming holidays will reduce work days so an extension of at least 60 more days is critical.

Will you please respond in writing to our request as soon as possible.

Sincerely,

Chuck Dudley
President
